- Thanks to strength from **wheat**, flexible and lasting hair.
- Thanks to protecting **almond**, no irritation on scalp.
- Thanks to moisturizing **Aloe Vera**, it calms scalp.
- Thanks to Vitamin E and C from **orange and grapefruit**, it protects protein and moisture balance of hair.
- Thanks to **banana**, pleasant fruit fragrance.

PERMANENT HAIR color WITH ORGANIC INGREDIENTS

Herbs and fruits used in this hair color are grown in line with organic agriculture conditions and are certified as organic product. Soil used for organic agriculture should not contain any toxic materials for at least 7 years. After 7 years, the soil is tested and a certificate is provided to the manufacturer to document that it is an organic producer and a licence is provided for sales activities. For Natural Colors, Herb UK buys from the manufacturers of certified organic ingredients and uses those certified organic ingredients.
